Sir,

I have the honour to acknowledge the receipt of your docket No: 794/Ex dated 8th instant, forwarding for report a petition from one Havroomull Hotticheund residing in Mysore, complaining that Opium and Ganja Shops in the Mysore city were sanctioned without his knowledge, and in reply to submit that the petitioner sent a telegram offering a rental of Rs 425 per month

months and stating that he was unaware of the auction and followed it by a petition on the first current. He appeared before me in person and after hearing him I passed the following order:. "I do not find any irregularity in Sale represented except the petitioner had no timely intimation. On this point the Deputy Commissioner may satisfy himself. If the petitioner had at any previous time done business in this line, it should naturally be expected that he should have had special intimation by the officers of the Department i.e. a notification copy being sent to him by name, but that ground is insufficient for me to interfere with the Sale. On the other hand I believe Mr. Bajjanna has some interest in drug shops in civil and Military station. If, as is represented by the petitioner, Bajjanna has taken the Mysore City Ganja Shops in his

his name or benami for him, then his c
action is opposed to clause 7 Rule 6 of the Ganja
Sale & Notification. On this point a report should
be called for from the Deputy Commissioner".

2. The Deputy Commissioner's report
has not yet been received and when
received, the matter will be finally
disposed of and reported to Government.
